Registered Friesian cross

\$ 9,000

Description

This is a 4 year old, 15.3 hand, registered 75% Friesian and 25% saddlebred gelding. He is broke to ride and drive. Under harness he is very easy going and moves at any pace asked of him. He backs up and stops well, traffic safe and not spooky! Under saddle he is best suited for an intermediate rider due to his age, he has never offered to buck or rear but is not a dead head and not afraid of work. He has a beautiful big trot and will canter circles either direction asked of him! He has mainly been ridden in the ring but will ride out! This fella would excel wonderfully in the English world with the correct training and someone to fulfill his potential. Easy to catch in the pasture, ties great, saddles/harnesses perfect and has great manners! Sells with a 10 day money back guarantee. <https://youtu.be/A3Cgg2-mRIU> <https://youtu.be/S5A0bV-btmE>
